

TOWN OF AMENIA TOWN BOARD

4988 Route 22, AMENIA, NY 12501
(845) 373-8860 www.amenia.gov

March 19, 2020
Supervisor's Report

1. **Wassaic Trail to the Train Update** - Progress meeting was held by conference call on March 18, 2020 with Colarusso contractors, Town of Amenia Project Manager, WSP Resident Engineer, WSP Project Manager, and Supervisor. Work performed in the last period included: installation of the Pedestrian Boardwalk's helical piles was completed; header-beams installation and bolting to Helical was completed; installation of timber joists was also completed; hurricane clips were all nailed in; placing of decking planks was continued/completed; the installation of railings' posts and rails along the East & West sides of the boardwalk was started and completed.
2. **Grant Update** – identifying grants for lighting on the Trail to the Train project
3. **Town of Amenia Covid-19 (Coronavirus)** – The Town of Amenia is currently closed to visitors but individual departments can be reached by email, phone, and by appointment. Public Comment for meetings can be sent by email to be read at the next meeting. The Town of Amenia website under State of Emergency has been updated with information provided by Dutchess County and the State of New York. Channel 22 has also been updated with current information and cancelled events have been removed. The notice that all Recreation and other events held at the Amenia Town Hall have been cancelled until further notice is on the website and Channel 22. All of the information from Dutchess County and New York State has been sent to the Town Board members and the Fire Departments/Rescue Squads. The Dutchess County Coronavirus (Covid-19) hotline is 845 486-3555 or go to website: DutchessNY.gov/Coronavirus. The Town of Amenia is complying with all Executive Orders from the Governor's Office and Dutchess County. What you can do to protect yourself is wash your hands regularly; avoid touching your face; disinfect frequently touched surfaces and objects; practice social distancing and avoid crowds. Symptoms are shortness of breath, fever, and cough. If you believe you have contacted Covid-19, call ahead to your primary care doctor or urgent care so that they can take the necessary precautions upon your arrival.
